A POLITICAL FAITH - online panel seminar 3 June 6pm

Modern Church, together with the Church Times are running a series of political theology this year. The first in this series is called Political Faith and is happening online on 3 June. You can sign up and buy tickets here (<https://www.churchtimes.co.uk/a-political-faith>)

At its best, Christianity is a worldly religion – seeking to build a kingdom/kingdom of God on earth and challenging the ‘principalities and powers’ that seek to oppress and imprison us. Across history, Christians have clashed and colluded with those in political power – for good and for ill. This panel will explore where we have come to and ask, where should we go next? What can we learn from the history of political theology? Can churches be (re)formed in conversation with party politics, and how can we bring an effective and ethical influence to bear on those who hold political power?

Min Shermara Fletcher-Hoyte, National Principal Officer for Pentecostal, Charismatic and Multi-Cultural relations at Churches Together in England.

Dr Jenny Leith, author of ‘Political Formation: Being Formed by the Spirit in Church and World’, SCM Press, 2023.

Professor Graeme Smith, founder editor of the International Journal, ‘Political Theology’, Taylor and Francis.

Chaired by Professor Elaine Graham of Modern Church

Tickets are £10, but free tickets are available for anyone for whom cost would be a barrier to attending this webinar.

THE BISHOPS GARDEN PARTY - Pete and Cathy are delighted to be hosting the Garden Party at Bishopscroft this year on 22 June, raising funds for two local charities: The Archer Project and ASSIST. Please secure the date in your diaries. There will be a variety of stalls for people to sell their products and demonstrate their skills, entertainment for children and families, music and refreshments. Do feel free to circulate the date more widely within your networks. Everyone is welcome!

ECO CHURCH STALL - in particular, could anyone do a stint on the Eco Church stall, just being prepared to chat about our experiences of being an eco church and give out some leaflets? An hour would be great and you are then free to enjoy the rest of the party! All part of our commitment to use our Gold award to support others.

PLANT STALL - Plants are needed for the plant stall, which raised a good amount for the charities last year.

If you can help, please contact the Bishop's Office on 0114 230 2170 or Email: pa@bishopofsheffield.org.uk

GOD AFTER DECONSTRUCTION 13 AUGUST 7.30PM

In conjunction with the Progressive Christianity Network, St Mark's Sheffield presents an evening with American theologian Thomas Jay Oord dealing with the challenging topic of faith deconstruction. The session will offer a hopeful and hope-filled vision of Christianity that doesn't rely on the traditional toxic traits of a violent and domineering deity.

Dr Oord is a philosophical theologian and the author of a variety of popular books including 'The Uncontrolling Love of God' and 'God After

Deconstruction'. He advocates an 'open and relational' approach to Christianity which says that the God who is love experiences what we experience, feels our pain and sadness, and is not able to control our actions. Expect answers for your questions, and questions for your answers as together we explore Christianity beyond deconstruction.

CITY OF SANCTUARY LOOKING FOR NEW TRUSTEE - City of Sanctuary Sheffield is an independent charity, working to build a safe and welcoming city for people seeking sanctuary. We are currently looking for passionate and dedicated individuals to join our Board of Trustees. Trustees play a key role in guiding and supporting the organization. If you are interested in helping to make Sheffield a safe and welcoming place and want to use your skills and experience to make a difference for others, we would love to hear from you. TRAUMA INFORMED MINISTRY DAY, 19 OCTOBER, 9.30-14.00

An interactive workshop by Rev Hilary Ison at St Mark's Church Broomhill S10 2SE.

Come and equip yourself to deal with the stresses and strains of daily life better.

An interactive workshop exploring how understanding ourselves and our body's reaction to trauma better can enable us to build resilience for the future. Hilary will help us learn how to check in on ourselves and respond in a more considered and creative way, enabling us to look after ourselves and accompany others better in pastoral ministry through difficult times. We will look at how we can respond in a helpful, healthy way, both individually and collectively as congregations and communities, and the biblical and faith resources available to help. We will finish with an optional healing service. Refreshments will be provided but please bring your own lunch. Hilary is a great speaker who is experienced in all kinds of church leadership and teaching and a trustee for St Lukes for Clergy Wellbeing. For more information and to book [Click Here](#)
