

## Easter Day Paper Chain Resource!

After our long time of waiting, the story of Lent ends but we find a new beginning!

This is the beginning that we celebrate every week as a church – each time we share communion, breaking bread and drinking wine together.

This is the beginning that we celebrate daily in our own unique ways – each time we celebrate the wonder of God – in Creation, and also in the way we choose to live; Caring for our friends, our family, our church family and the wider world around us.

Christ is Risen;

He is Risen indeed! Hallelujah!
