

## Our favourite place – the Newitt family

We choose the Lake District as our 'special place' and this is a picture of Whinlatter near Keswick, where we often go for walks, cycle and enjoy the playgrounds and trails.

Why did we choose this place?

Jacob - because I like being there with my family and I like the lovely views and ice-creams.

Francesca - because it has mine and Mummy's favourite swing.

Alice - As soon as I cross the M6 I feel relaxed; it is a beautiful place we know well where we can spend time as a family, mostly outside, walking, cycling, playing, paddling and exploring.
